## PERFECT PROPERTY RELOCATION Kent and East Sussex

An agent can find you a house, we find you a home.

### WHO WE ARE

We are an independent property search company finding homes to buy or rent or holiday homes in Kent and East Sussex. We offer a tailor-made personal level of service to residential and corporate clients.

Wherever you are relocating from - the UK, Europe, or further afield we are happy to tailor our service to match each customer's individual requirements and our service includes information on education and transport links.

We speak fluent French and Spanish for those who need help with understanding the language involved in moving to the United Kingdom.

Our aim is to ensure that your move does not take up your valuable time and is stress free.

### THE BESPOKE SERVICE WE PROVIDE

After finding out precise requirements for your ideal house, we look at a number of properties, provide you with reports and then the search is narrowed for you to view. We can also provide an orientation tour of the area.

We are able to source properties that have not come on the market and also supply you with a package of local information covering schools, amenities, builders, interior designers, craftsmen and a list of contacts to assist you in all eventualities. We can help with local planning consents.

We can enter into negotiations on your behalf with regard to the price of your chosen property. We save you money and time to ensure a pressure free move.

We go one step further at Perfect Property Relocation by connecting any landlines or SKY television in your new home.

#### About the relocation area

Kent and East Sussex are areas of outstanding beauty within easy commuting distance of 55 minutes to London. Camber Sands beach is half an hour away and the area is known for its excellent schools.

The area also has many National Trust castles, such as Sissinghurst Castle Gardens, Bodiam and Scotney Castle are just a few.

Lamberhurst, Tenterden and Biddenden all have vineyards with good wines and there are many attractive outdoor venues in the South East region such as Bedgebury Pinetum, which is the premier outdoor site for the South East of England and Bewl Water for sailing and all water sports is one of the seven wonders of the Weald.
